

2020 **VIRTUAL** **TIAC TOURISM CONGRESS** SPONSORSHIP PROGRAM

2020 has been an unprecedented year for Canada's Tourism Sector. Operators, association and organizations from coast to coast to coast have faced the challenges created by the COVID-19 Pandemic and have adapt to a new normal, elevated health and safety protocol, travel restrictions and a visitor mind-set.

Canada's Tourism Industry is resilient #TourismCounts

The Tourism Industry Association of Canada (TIAC) has also made a few changes - TIAC is bringing the Congress to you!

For the first time; TIAC will deliver the 2020 edition of the Tourism Congress as a virtual event. In addition, we are please to offer complimentary registration to all tourism stakeholders.

This year's Tourism Congress will take place over two days, November 17 & 18.

The shift to a virtual event was an intentional decision to ensure delegates can stay focused on operations, retain much needed revenues and stay safe.

The Tourism Congress program will include targeted content for operators (owners and management team), associations, influencers and decision makers as well as deliver unique networking opportunities and an enhanced exhibitor showcase.

The follow pages highlight this year's sponsorship program. Considered a must attend event, the virtual Congress will provide sponsors exceptional brand visibility, media and social media coverage as well as qualified lead generation and B2B engagement.

As a first-time virtual event experience with complimentary registration; it is hard to anticipate attendance levels however our target is over 1,000 delegates.

Opportunities are limited and available on a "first come, first served" basis. Don't miss out, contact us today.

TIAC Members enjoy a 20% savings on all sponsorship, branding and promotional opportunities.

We look forward to working with you to showcase your business!

LIMITED **BRANDING AND PROMOTIONAL** OPPORTUNITIES

Opportunities	Investment	Description
Virtual Swag Bag	Digital Swag item plus investment as follows \$250 TIAC Member \$300 Non-Member	In advance of the event, each delegate will receive a virtual swag bag including items such as digital coupons, contests, discount codes, gift cards, or invitation to partners online event. This is a great opportunity to extend your promotional reach to a specialize market.
Congress Virtual Marketplace Exhibitor	\$500 TIAC Member \$600 Non-Member	<p>The Congress virtual marketplace will run throughout the event with dedicated times in the schedule to allow delegates to browse and network with exhibitors. With a virtual “booth” and exhibitor portal, exhibitors can manage their profile content, captured leads, assign booth staff, upload files and more. Plus, exhibitors have a special area in their virtual event portal to see, in real-time, who is visiting or has visited the booth, and for how long ago; exhibitors will never miss a lead. This crucial data allows exhibitors to engage those potentially interested delegates in real-time in several ways (Face-to-face video calls and chats) and request their contact information.</p> <p>Face-to-Face Video Calls & Chat - Once an exhibitor has connected with a delegate showing interest, they can engage in a real-time text chat, or even a real-time video call. The video call allows for a high-quality exchange between the exhibitor and delegate, just like the on-site experience would permit.</p> <p>Global Chat & Presence Detection - Delegates will also be able to see who else is visiting a specific booth in real-time, chat among themselves publicly or privately, and ask a front-line exhibiting staff member questions in the exhibitor’s public chat board. That front-line staff member may also use this as an opportunity to qualify leads before permitting them to have a private face-to-face conversation.</p> <p>File & Screen Sharing - While real-time chat and video calling add the crucial face-to-face aspect for exhibitors and delegates, sharing of information is equally important. Exhibitors can share their screens while on video calls with attendees, to walk them through product demonstrations, presentations, websites, or anything else. Exhibitors can also make files available for delegates to hang on to.</p> <p>Exhibitors are easily accessed from the Tourism Congress Micro-Site and the Virtual Congress Event portal under the exhibitor directory.</p>
Wear & Share Deadline – October 1, 2020	One prize plus wear product, TIAC to provide shipping and handling costs	A unique opportunity to send direct to delegates a branded shirt, socks or hat that they can fashion during the Virtual Tourism Congress. Delegates will be encouraged to post pics on social media channels throughout the event for a chance to win the sponsor donated prize.
