

## Ask for a Meeting With Your MP

Here is a sample text you can use to ask for a meeting with your Member of Parliament.

***Subject: Meeting request with NAME of BUSINESS in LOCATION to discuss government support for the tourism industry***

*Dear [MP NAME],*

*I am NAME and I work/manage/own BUSINESS in your riding of NAME OF RIDING. BUSINESS has done business in this area since DATE and has # of employees.*

*I am a proud contributor to the country's \$78.8 billion tourism industry which employs over 600 000 Canadians. However, as a member of this industry, I am concerned about the substantial cut to our national marketing organization (the Canadian Tourism Commission) in the last federal budget.*

*I would like to meet with you this summer for 30 minutes to discuss this issue and how it impacts my business and employees directly.*

*I will follow up with your constituency office in the coming days. In the meantime, please feel free to contact me should you have any questions.*

*Regards,*
