

MAXIMIZE YOUR PURCHASING POWER WITH

QUASEP

WHO IS QUASEP?

QUASEP is a multi-supplier purchasing program designed specifically for the hospitality industry. Our members include restaurants, hotels, golf clubs, catering companies, bake shops, and many others.

We believe in the importance of the Canadian hospitality industry; what you do everyday allows people to gather, eat and drink, sleep, play, connect with others or re-connect with themselves. You are an essential part of what makes our local communities great places to live and visit.

HOW CAN QUASEP HELP YOUR BUSINESS?

As your trusted purchasing program partner, we are committed to making you more successful (and more profitable) through the right mix of products and services, operational resources, and programs to run your business.

THE QUASEP MEMBER ADVANTAGE

The QUASEP Member advantage is the financial rewards and discounts (or a combination of both) from our program manufacturers and distributors. What makes our program even more exciting is that it is dynamic; we are continually adding new products and programs based on member feedback, current and upcoming trends, and additional member reward opportunities.
